☎ 973-243-7908

### Overview

Amy Shammamas, the Firm's Clinical Consultant Pharmacist, provides guidance to the Healthcare and Life Sciences practice groups on pharmacy-related issues within client teams. Her responsibilities encompass advising on PBM audits, government investigations, and regulatory matters. Additionally, Amy holds the role of Senior Marketing Manager.

Before joining Mandelbaum Barrett PC, Amy amassed diverse clinical experience spanning retail, hospital, and long-term care pharmacy settings. She previously served as a Clinical Consultant Pharmacist for a prominent national PBM, aiding local physician groups in implementing state health plan initiatives.

Amy's background also includes work as a Clinical Coverage Policy Analyst, collaborating with bio-pharmaceutical companies to furnish managed markets coverage policy and formulary access information pertaining to high-spend drugs and indications.
